

The banner features a circular logo on the left with a green tree, a yellow sun, and the word "EASY" in blue. To the right, the text "Energy Assessment Screening for Your Home" is written in a large, bold, blue font. Below this, the text "Want to save money on your energy bills? It's EASY." is written in a smaller, bold, blue font. The background of the banner shows a residential neighborhood with houses and hills in the distance.

Do you have high electricity bills? If so, the Energy Assessment Screening for Your Home (EASY) program provides a free home assessment that will help you identify opportunities to reduce your energy usage and costs.

With the home assessment, you'll receive customized solutions and project recommendations, as well as information on rebate and financing programs through local utility companies like Southern California Edison (SCE) and Southern California Gas Company (SCG).

Participation in the EASY home assessment is voluntary. EASY is a program of the San Gabriel Valley Energy Wise Partnership, and home assessments will be conducted by members of CivicSpark, a climate action based program of the Local Government Commission. Sign up sheets are available at the Environmental Services counter at City Hall or you can call (626) 384-5480 to schedule your free EASY home assessment.
